

South Lincoln Resources

Holiday Food Baskets - 2017

Dear Neighbor,

It's starting to feel a lot like Christmas – well, not really. But, it is time to begin organizing for **Thanksgiving and Christmas Holiday Food Baskets**.

For 18 years, South Lincoln Resources has provided Thanksgiving and Christmas food baskets for members of our community. Last Christmas, we distributed food baskets to 875 people, making their holidays warmer and brighter.

The task of coordinating, soliciting and gathering food, organizing a team to sort, pack, and distribute is a large one. As part of the south county community, we recognize the importance of this yearly event, and need your help as a friend, partner, and neighbor to make this happen.

South Lincoln Resources invites you to join us in support of those in our community who need a bit of help. The kick-off for the **Holiday Food Basket Program** will begin at our September 11th meeting at Waldport Community Presbyterian Church, Fellowship Room, Bay Street at Hwy 34 and Huckleberry Street, Waldport.

Thanksgiving and Christmas food baskets are truly a community-wide endeavor. Won't you come and join us as a **neighbor helping neighbor** team member.

If you have questions or would like to discuss how you might help, please feel free to 541-563-2388. We will call you back. We hope to see you at our kick-off meeting this Monday.
