

Thanksgiving Holiday Food Baskets from South Lincoln Resources

Another season of Thanksgiving meals provided.

Saturday, November 17, **South Lincoln Resources** volunteers distributed turkeys, veggies, and food stuffs to 210 families (about 480 people). Some Thanksgiving Food Baskets were delivered to those who cannot easily get out of the house, and others were picked up by recipients at our 3710 Crestline warehouse.

Volunteers went home with tired feet, but happy hearts.
